## CAPTAIN'S CALL

President Amanda Richards, Z-Albion

Happy 2011, DG Sisters! I hope you had relaxing and rejuvenating holiday season. We have many exciting events and volunteer opportunities planned for the spring, and we hope to see you soon. The new year brings more opportunities to Do Good with Pinot and Pups, the Casey Eye Institute Easter Egg Hunt and activities at the Washington State School for the Blind (WSSB). Guide Dog puppies and puppy trainers will be special guests at the February meeting (you don't want to miss the puppies!), and a WSSB faculty member will be our featured speaker at Founders Day in April.

Check out our website, [www.portlanddg.org](http://www.portlanddg.org), and monthly e-blitz for even more news and upcoming events. If you have DG sisters who are new in town, please let them know that our monthly meetings, On the Town dinner group and book club are fun opportunities to catch up with sisters and meet new friends. There is something for everyone and every schedule!

In the spring we will elect a new president and several new officers, and I look forward to all the innovative and exciting ideas they will bring. I want to thank all of you for your kindness and support; it has been my privilege to represent this amazing chapter as president for the past two years. It was a wonderful opportunity to learn more about Delta Gamma and spend time with the many dynamic women who are part of the Portland Suburban alumnae chapter.

## FOUNDATION FOCUS

Vp: Foundation Margaret Zielke Hill, ΔH-CA State, Sacramento

Thank you for your fall 2010 Service for Sight hours through vision screenings and assisting with VisionWalk 2010. As 2011 begins, we again ask you to keep your focus on Foundation and we have various ways for you to volunteer.

Volunteer opportunities at WSSB are extensive, including Monday ice skating lessons in January, Thursday ski and snowboarding in February, the Qwest Pioneer's Beeper Easter Egg Hunt on March 31, Monday golf starting April 18 and our tradition of helping with prom hair and makeup in late spring. Check [www.wssb.wa.gov/content/community/volunteer.asp](http://www.wssb.wa.gov/content/community/volunteer.asp) to submit a volunteer application and check often to find opportunities that match your interests. Once you are an approved volunteer, you may also receive updates about educational opportunities such as the Orientation and Mobility Class I had the pleasure of attending. I experienced a sighted-guide walk and a white-cane walk.

Suz Hahn, BΠ, Ronette Simcox, Π, and their sons prepped boxes at Oregon Food Bank. Each volunteer made 144 meals.

Stay tuned for details on the annual Beeping Easter Egg Hunt sponsored by the Casey Eye Institute and the Elks.

The fourth Annual Guide Dogs for the Blind Pinot & Pups fundraiser will be held on Saturday, May 14 in the Kridel Ballroom at the Portland Art Museum. In addition to volunteering from 4:30 to 7 pm, our chapter is pledging 25 of the 45 bottles for the wine wall. Please help by donating or procuring a bottle of wine with a minimum value of \$20. Donations may be brought to any Portland Suburban event.

## KEEPING SIGHT OF EYE HEALTH

Information from Prevent Blindness America

Did you know children sustain 27 to 52 percent of all eye injuries? Each year in the United States, hundreds of thousands of children receive eye injuries that could have been prevented with the use of proper safety precautions:

- Proper use of contact lenses
- Wearing contacts distributed with a prescription and properly fitted by a qualified eye-care professional
- Wearing sunglasses with UV protection
- Wearing appropriate sports eye protection that meets ASTM and ANSI standards

Ninety percent of eye injuries can be prevented through understanding, safety practices and the use of proper eye protection. Take care to protect eye health.
