Portland Alumnae Panhellenic had another successful year with its scholarship program fundraiser and collection of cosmetic items for the Rosemont School women. Both programs will continue this year.

Raffle tickets supporting the 2009-10 scholarship fundraiser are now available. The prize... one week at a Sunriver condo! (Amenities: sleeps six, hot tub and close in.) Tickets are one for \$20 or three for \$50. The drawing will occur in early 2010.

As the new President of Portland Alumnae Panhellenic, I look forward to a successful year of fundraising and service!

Congrats for being elected Portland Alumnae Panhellenic's President. We are proud of you, Suzanne!

Barbara Crawford Stevenson, *AA - Oregon* (center) adorns WSSB prom attendees with her lovely corsages.

Spring activities centered on Washington State School for the Blind's prom. After a fun trip to pick dresses at the Fairy Godmother Project, six DGs (including a collegian from Willamette) dolled up the ladies from head to toe. One DG even trimmed a male student's hair with promises to return with clippers next

year. Our chapter gave survival kits complete with safety pins and gum. For the finishing touch, another sister created gorgeous corsages and boutonnieres for all of the students.

The fifth annual *Feel the Music, Empower a Life* Washington School for the Blind Foundation (WSBF) fundraiser showcased pianist Tom Grant and WSSB student and pianist Mac Potts who tickled the ivories together like old cronies. (They had never met!) Funds raised will go to provide tools, skills and training to WSSB students.
